

Introduction to Clickbank Mastery

These lessons will help you learn how to choose the most profitable products from the

Clickbank marketplace to promote. So that you can save yourself from wasted time, effort and money promoting products that just don't sell.

So, let me begin by asking you this question.

Do you know how to choose a product from the Clickbank market place that you know will be profitable?

When it comes to choosing and promoting Clickbank products it is a good idea to have a solid criteria that you can use to decide if the product is going to be profitable and worth your time and effort.

A few of the key things you should look at are Gravity score, competition, the salesletter, the commission rate and the price of the actual product.

In the first lesson let's talk about the Clickbank gravity score and how it will help you choose the right products to promote.
